Ma. HARRISON—Sir., I write you these few lines to
inform you of the great benefit I have received from your
COMPOUND SYRUP OF NAPTHA. Eight years ago I
was taken with the pleurisy in my left side, and ulcerated
my lungs; therefore I was obliged to give up work and
and to smaller. I rised everything that I heard of, but all to seck for relief. I tried everything that I heard of, but all to no purpose. My health continued to decline, till finally I began to raise blood and large quantities of matter. In this state I continued for some time, until last fall, November 1849, when I took to bleeding from the lungs. I bled about two quarts in twenty four hours. I then save up all bones

of recovery, until I heard of your Naptha. Still I thought it was like all the rest of the patent medicines, (a humbag.) But I resolved to try one bottle as a last resort, and, thanks to God, I did so, for with his blessing I believe it will make a well man of me yet. I had not taken one bottle before I becan to such better, and in a few weeks I we about the house gan to get better, and in a few weeks I was about the house, and from that time to the present I have not raised any blood—before that I had a bad spell every few months. I could not do without it on any account, and would recommend all who suffer from long complaint to try it at once, for I do believe that if anything will effects cure, this Naphawill. Yours, with respect, C. D. REVERE. P. S.—I would have written to you before, had I not recently contracted a severe cold, which your NAPHA has entirely removed. I can now attend to business, and expose myself to all weathers.
